

2010/11 Motorcycle rentals

Bosenberg offers individual and group motorcycle rentals through participating dealers with BMW, Ducati, Harley-Davidson, Honda, Kawasaki, KTM, Suzuki and Yamaha models at gateways:

- Frankfurt/Main, Germany (BMW, Ducati, Honda, H.-D., Kawasaki, Suzuki and Yamaha)
- Munich, Germany (BMW)
 - Berlin, Germany (BMW and Kawasaki)
- Milan, Italy (BMW and Ducati)
- Bern, Switzerland (BMW and Honda)
- Zurich, Switzerland (BMW, KTM and Yamaha)

Ride the motorcycle at home or the model you have always dreamed about. It's your choice, not ours. Fly-in, ride and fly-out on your own schedule. We recommend to reserve your model first, then at your leisure to make air flight arrangements. Pick your favorite mount from over 50 European models. Tour, sport, sport-tour, cruiser, dual-sport and exotic mounts are featured. Choose from 650–1800cc and 46–178 horsepower for suitable mounts for all riding styles and all rider sizes.

Bosenberg confirms motorcycles by make and model through the order of application and deposit received. Making a reservation 4–5 months in advance isn't too early to insure you have a particular model for the time frame you want. For the high demand periods of June through August, a second rental period and alternate model selection are recommended. Last minute reservations 1 to 2 months prior to arrival are possible, but may result in requested models already reserved by someone else.
