Deposits are fully applied towards final payment. If sending a tour application with a check deposit for a tour not previously booked, and your requested tour is full and cannot be reserved, your deposit is promptly refunded. After reservation confirmation and invoicing by BME, a reservation is binding. Final payment is due no later than 8 weeks prior to tour departure. If final payment is not received at least 8 weeks prior to tour departure, BME reserves the right to consider a reservation cancelled. Personal checks and credit cards from American Express, MasterCard, VISA and JCB can be used for deposits and final payment. Foreign-drawn checks (non-US) incur a US \$25 processing fee. If a booking reservation is made within 8 weeks of tour departure, full payment is due.

If using a credit card authorization for the tour deposit, it is optional to check off on the tour application to allow your final payment to be processed automatically with the same credit card organization 8 weeks prior to the tour start.
