

Motorcycle models and upgrades

We offer over 40 models from BMW, Ducati, H.-D, Honda, Kawasaki, Suzuki and Yamaha. Tour, sport-tour, sport, cruiser and dual-sport bikes are available from 600–1800cc displacement and 46–197 horsepower. Models are current season, well-maintained and serviced by professional German mechanics.

Your rider tour price includes free use and unlimited mileage of Honda, Kawasaki Suzuki or Yamaha standard class motorcycle model. Your insured rental motorcycle is with third party liability, collision and comprehensive insurance safety deposit of € 1,500 for standard or comfort; € 2,000 for sport or sport-tour class and € 2,500 for top or super class models.

Model upgrades comfort, sport, sport-tour, top and super classes are available per the designated model upgrade supplement listed at the tour overviews.

If unfamiliar with models, check-off your requested model type (tour, sport, cruiser, etc.) and displacement size on your tour application. We match your model type wish with available models and designate a motorcycle for tour use and confirm this on your invoice. If it is necessary, stop at a neighborhood dealer and inspect the showroom bikes to see various models, measure seat heights, judge passenger comfort, etc.

Whatever your riding style, substitute or upgrade a mount to suit particular riding needs and preferences. Smaller and more agile bikes are better suited to the roads in Europe, but it is your decision to ride your personal own model at home, a mount which you are familiar or a special model you have always dreamed about riding.

If you require more model information, contact us. You can also point your browser towards any manufacturer home page with links available at our Bosenberg web home page or visit your local dealer. Some dealers offer a Garmin Zumo 550, TomTom Rider or a BMW Navigator GPS unit rental with European maps, English menu and instructions. If available, the GPS unit is pre-wired and pre-installed on your bike.

For every riding style and rider size, whether ladies or gentlemen, young or young at heart, we have the perfect mount for you. As a guideline only, we recommend the following motorcycle size match between you and your mount as follows:

- 500–700cc class for solo riders
- 701–900cc class for solo riders or with passenger (combined weight < 300 lbs.)
- over 900cc class for solo riders or with passenger (combined weight > 300 lbs.)

Please note:

Listed models are offered for the 2010 riding season. Similar models will be available for the 2011 season when the manufacturer model line is known.

Motorcycles are current season models which are renewed every year. Model changes and availability will occur during the course of a season. Tour model updates are featured at our home page at www.bosenberg.com on a regular basis.

Allocation of motorcycles and special model wishes are made according to the order of tour deposits received by Bosenberg. Please list alternate model choices on your tour application. There are a limited number of motorcycles for each model and class. Your model is confirmed on your booking confirmation invoice.

BMW models are equipped with BMW hard (or sport) side-cases. Honda models equipped with hard side-cases (Pan European, Gold Wing, etc.), leather side bags (Shadow, etc.) or softside bags and/or roll bags (CBR 600, etc.) which varies from model to model per manufacturer's originally outfitted model features. Most sport models are with soft side bags and/or roll bags. Cruiser models are equipped with leather side-bags unless model is originally outfitted with hard side-cases from the manufacturer (H-D Road King, etc.).

Some cruiser models are equipped with sissy bars. Models do not have windshields unless originally installed by manufacturer as a standard model feature.

If your vacation time frame does not match our tour dates, request our 4-page individual and group motorcycle rental brochure or review our home page. Consider using one of our rental gateways at Berlin, Frankfurt/Main and Munich, Germany; Milan, Italy; Bern and Zurich, Switzerland with over 50 models from BMW, Ducati, Harley-Davidson, Honda, Kawasaki, KTM, Suzuki and Yamaha.
